## **Zipper Class with Bonnie Allen**

**Class Fee \$35**

If you know how to sew, but want to achieve better results by learning how to apply a professional looking zipper, we have the right class for you. This sample making class will feature three different types of zipper applications: a railroad, lapped and invisible zipper into a skirt with a waistband and also into the bodice top of a garment including the facing at the same time (as it is done in the industry). A fly-front zipper for pants will also be featured. If there is time a welt-pocket will be taught.

**TBD**

## **Waist Bands and Hems with Bonnie Allen**

**Class Fee \$35**

In this class you learn and make samples of several waist bands and hems. Techniques will be demonstrated using Band-roll, Waistshaper, fusible interfacing, contour waist band using a cotton woven fusible, self interfaced band, waistband that grows and no waist band at all.

Hems; Hong Kong hem, hand stitched hems, double stitched using twin needles, interfaced, serged, horsehair, rolled and baby hems )hand-rolled and machine stitched). Kit Fee \$5

**Call for available dates and times**

## **Beginning Kids' Sewing with Bonnie Allen**

**Class Fee \$30**

Learn to operate a sewing machine, sew simple seams and make a one-of-a-kind pillow case. This is a great class for introducing your child to basic sewing.

**Call for available dates and times**

## **Dress Shop Options with Andrea LaVergne**

Learn to create custom sized sewing patterns on your computer. You will learn how to take proper measurements, enter them and use the Dress Shop 5 or 6 program.

**Wednesdays (1:00-3:30)**

**Fabric Postcards with Franki Kohler**

**Class Fee\$35**

Have FUN learning the basics while making a fabric postcard which will be mailed the same day. No exceptions, no excuses. You make the postcard and I will mail it for you!\*

Participants will purchase a kit directly from instructor for \$3.00

\*Caution: Making these tiny treasures can be addictive with the first try. You may need to clear time on your calendar for the day following the workshop to get your first needed "fix."
